## GRASSES, LEGUMES and FALL GRAINS

Seed dealers everywhere in the midwest are looking forward to a good seed business this fall. Another serious drought has burned up pastures, but most areas have had good rains in the past few days and farmers can be expected to get busy with the job of rebuilding those pastures in a hurry.

Dealers who are on their toes will certainly want to have on hand a good supply of Grasses, Legumes and Fall Grains, including Orchard Grass, Ky. 31 Fescue, Timothy, Alfalfa, Ladino, Rye, Barley, Winter Oats, etc.
